

Certificate on Environmental Safety

Product: CEBOGEL® CE Max

Manufacturer: Cebo Holland BV
Westerduinweg 1
1976 BV IJmuiden

Netherlands

Phone: +31-255-546262

Email: info@cebo.com

The chemical and physical analysis of the product **CEBOGEL®CE Max** shows that the product has no negative environmental effects, according to today's level of scientific knowledge, on the soil and water it comes in contact with during its intended use in drilling fluids – if its concentration in the applied mixture is up to 4,5 % (mass fraction) and no other harmful substances are present.

This certificate is valid until 28-02-2025. The relevant environmental control analysis will be repeated annually.
